Get to know Andrés

Why Ferraiuoli?

I believe that Ferraiuoli offers both its clients and its attorneys a modern, innovative and diverse law firm with vast experience that is equipped to meet the necessities, demands, and standards of excellency, of practicing law in the XXI century.

Why do your clients come to you?

I don't have any clients yet, but in the future, it would be great to know that clients come to me because of my legal knowledge and my ability to apply such knowledge to solving their problems in an efficient and personal manner.

What is your primary focus?

My primary focus right now is to learn as much as possible to become a great corporate lawyer and be able to solve the legal problems that are presented to me.

What do you find most rewarding?

Professionally, I find most rewarding applying my knowledge to help the clients accomplish their legal, business and personal goals, knowing that they have someone looking out for them.

Looking forward (on the legal or business front), what you see?

Looking forward I wish to become a great lawyer and I wish to see how the law and technology evolves with time and how those changes affect the way of practicing law.
