bjaskille@ferraiuoli.com

Boris Jaskille is a Capital Member of Ferraiuoli, Vice-Chair of our Corporate Practice, and member of our Government and Legislative Affairs, and Tax Incentives and Credits Practice Groups. His areas of practice include general corporate and contract law, mergers and acquisitions, and tax exemption and economic development incentives including Acts 20 and 22, Act 73, and R&D credits.

Boris joined the firm in 2009 after working for several years in matters related to economic development in Puerto Rico, including government and legislative affairs, developing and implementing public policy and assisting global companies successfully complete due diligence, site selection and expansion plans on the Island.

From 2006 to 2008, Boris served as Executive Director of the Puerto Rico Industrial Development Company (PRIDCO), Puerto Rico's leading investment promotion agency, in charge of fostering foreign direct investment in life sciences manufacturing, IT and aerospace, R&D and related high technology sectors. During his tenure, he served as a member of the Steering/Technical Committee for the drafting of the Puerto Rico Economic Incentives Act of 2008 (Act 73), and led delegations of business and industry leaders during promotional road shows across the United States.

From March 2001 to December 2003, Boris worked in the Office of the Governor as Deputy Advisor on Economic Development and Finance, where he collaborated in the implementation of the government's platform on Economic Development, Finance and related areas including Industrial Development, Tourism, Agriculture and Commerce.
