(continued)

As a part of his Intellectual Property Law practice, Jaime also advises clients on matters related to registration of trademarks, responses to office actions, and filings before the Copyright Office. He also assists clients in connection with the drafting and negotiation of licensing and sponsorship agreements, trademark and copyright infringement claims, and domain name disputes.

Jaime represents our clients in sophisticated contractual matters (including drafting and negotiating complex commercial agreements) and has also counseled clients through the process of procuring and negotiating government contracts. He has appeared before administrative tribunals at local and federal government agencies including the Department of Consumer Affairs, the Department of State, the Office of the Commissioner of Financial Institutions, the Office of the Commissioner of Insurance, the Department of Health, and the United States Patent & Trademark Office.

Representative Cases or Transactions

- Represented a local financial institution in the acquisition of residential mortgage servicing rights.
- Represented successful bidder in the public-private partnership transaction relating to the Luis Munoz Marin International Airport.
- Represented a local insurance holding company in the initial public offering of a class of its common shares.
